Winnipeg, March 25, 1969.

Dr. H. C. Burleigh
Bath, Ont.

Dear Doctor:

Sometime ago - in June 1968 - you so kindly sent me information re my great grandfather - Alexander Dulmage, born 1813. One of the sons was Augustus, born 1845 - who was my grandfather. 1887

Alexander Dulmage married in 1868 at Clarks Mills to Elizabeth Ann Oliver of same district. We are endeavoring to trace the names of the parents of Elizabeth Ann Oliver and we understand her mother died when she was a small child - born 1850 - and she was raised by an- aunt.

In the 1851 Census of Napanee, there are several families of Olivers listed but we are unable to identify, not knowing the names of her parents (first names).

I understand, of course, the Olivers were not ~~as~~ United Empire Loyalists, but as the man she married was - Augustus Dulmage - whose grandparents were David Dulmage and Ann Roblin.

If you are unable to to give us any information re the parents of Elizabeth Ann Oliver, we would appreciate if you could advise us if there is any other party I could write.

If there is a charge of your services, I will remit immediately. A stamped and addressed envelope for your reply.

Yours truly,

E Dulmage

P.S. The only other information we have re Elizabeth Ann Oliver, is that she had an older sister "Adeline" who married a man by name of "Coates" in Gananoque.
